David Anthony Chinonyerem

Frontend Developer • Product-minded builder • Nigeria

Email: kelajane6@gmail.com • GitHub: github.com/Kelajane6 • LinkedIn: linkedin.com/in/blockchainwhizzy

PROFILE

Frontend developer focused on building clean, responsive, and user-centered digital experiences. I work across interface design, frontend implementation, and product thinking to deliver interfaces that are easy to understand and reliable in use.

CORE SKILLS

React | TypeScript | JavaScript | HTML | CSS | Tailwind CSS | Figma | UI Design | Git | GitHub | Responsive UI

INTERESTS & EXPLORATION

- Blockchain concepts
- Web3 ecosystem learning
- Decentralized product thinking
- Cryptocurrency fundamentals
- Emerging technology exploration

EXPERIENCE

Frontend-focused product work
Independent and product-oriented development

- Build polished, accessible user interfaces with attention to layout quality and maintainability.
- Translate product ideas into responsive experiences with clear design decisions and practical frontend implementation.
- Explore modern web and blockchain-oriented product experiences while keeping usability and trust central.

CAPABILITIES

- Frontend development
- Responsive web interfaces
- UI implementation from design to code
- Web3 product exploration
- Product-minded prototyping
- Design system thinking
